STRUCK BY TRAIN.

George Young of North Windham Dies as Result of Injuries.

Joseph Carter, who was on his way to work Saturday morning, found between the railroad tracks near Phelps crossing at 6:45 o'clock the mangled body of a man that still gave forth warmth. Mr. Carter went to the house of Andrew Johnson, who notified Captain Richmond, who in turn notified Medical Examiner Dr. Louis I. Mason.

The examiner hastened to the man and ascertained that he had been dead but a short time. It is the opinion of the examiner that the man was struck by the six o'clock train from Willimantic, because if he had been hit by the train earlier the crew of the later one would have seen the body between the tracks.

The man was identified as George Young of North Windham, aged 41, who had lived there for about three years, coming there from Chaplin. He was a native of Canada. Young had been drinking heavily of late and was intoxicated Friday night.

Medical Examiner Mason pronounced death due to an accident. Selectman J. J. Tew gave orders for Funeral Director E. E. Hickey to prepare the body for burial. Young was married and is survived by a widow and two children, a son and a daughter. The funeral was held from his home in North Windham Sunday afternoon, with burial in the cemetery at that place.

The machines were seized at the fair grounds on the third day of the fair this year.

ELEVEN-MILL TAX LAID.

Adjourned Town Meeting Votes \$50,000 for School--Selectmen's Salary to Remove at New Figure.

Moderator George W. Melony called the adjourned town meeting to order in the Town hall Saturday afternoon at 2 o'clock and an attendance of upwards of one hundred voters, one of the largest meetings that have been held in recent years. On motion of Mayor D. P. Dunn, the various reports of the town officers were accepted. Town Clerk Frank P. Fenton moved that a tax of ten mills be laid on the new grand list to be prepared, but after a little discussion that was authorized to 11 mills.

The board of selectmen was authorized to borrow such sums of money as it might need from time to time to defray current expenses. Fifty thousand dollars was appropriated for the support of schools, \$45,000 of which for running expenses and the other \$5,000 for the furnishings for the new addition to the high school, which was left to the school committee. The sum of \$100 was appropriated for the town missionary and after not a little discussion the sum of \$500 was appropriated for St. Joseph's hospital, together with the right to charge \$5 per week for each town patient treated at the institution. The matter of fixing the rental for the town hall was left to the board of selectmen.

Mayor D. P. Dunn moved that Francis S. Long post, visiting money, be authorized to lease C. A. R. R. to the United Spanish War Veterans for a place of regular meeting, which was carried without a dissenting vote. The excitement of the meeting was then exhibited when A. J. Bowen introduced a resolution endeavoring to rescind the action of the town meeting Monday so that the salaries of the selectmen would be lowered. The salaries will remain at the increased figures, as the motion to rescind was voted down by an almost unanimous vote.

Three Arrests at Yellow Row.

Shortly after 9 o'clock Saturday evening the police were called to the Yellow Row neighborhood to quiet some of the boisterously inclined residents and visitors in that vicinity, and as a result made three arrests, the men being locked up on the charge of intoxication and breach of the peace. The men arrested by Captain Richardson and Lieutenant Kilbourne were Joseph Gaudin, Albert and William South, the two last-named brothers who claim their home in Brooklyn, and who have been working in this city of late.

Gaudin is said to have threatened members of his family with dire punishment on various occasions. The other two had been visiting him at his home, an argument started and considerable loud talk resulted, but no serious injury resulted as a result of the fracas.

City's Hospitality for Woman Traveler

Mrs. C. Howell, about 60, was given a bed in the hospital room at the station house Saturday evening. She was taken in by Officer Paulhus, Captain Richmond offered to take her to a hotel or gave her the opportunity to sleep in the woman's ward at the station in the hospital department. Mrs. Howell said that was satisfactory to her and thanked the police for their kindness. She got off an afternoon train in this city, having come all the way from Poughkeepsie, N. Y., and was on her way to Boston, to visit friends in Roxbury. She said that her hands were cold on the train and that she got off here to buy some gloves. She was wearing a hat and had a ticket through to the Bay State capital. Mrs. Howell showed marked refinement but was apparently a bit twisted at certain points in her conversation and local authorities are of the opinion that she is partially demented. She claimed that she was the widow of an old G. A. R. officer who served in the engineer corps, and that a kind old G. A. R. man had bought her a ticket to Boston. She

McCarthy of the Emeralds handled the indicator and gave excellent satisfaction to both nines.

Finds Home Gift for Timothy McNamara.

An enjoyable evening was spent by some seventy friends of Timothy McNamara Friday in the fire house of the Montpelier fire company, 10 Jackson street. The friends gathered to show their regard for Mr. McNamara, who has recently left the city, being promoted to foreman car inspector for the Central Vermont railroad at Palmer, Mass.

Shortly after 10 o'clock the friends and guests of honor gathered in the parlour. Mayor D. P. Dunn, on behalf of all present, presented Mr. McNamara an elegant Gladstone bag as a token of the good will of his Willimantic friends. Other speakers were ex-Mayor O. T. Dunn, First Selectman J. J. Tew, Capt. Commander Frank P. Fenton of the U. S. W. V., Mr. J. J. Tew, Capt. Commander William R. Harrington, Comrade John S. Bailey, Comrade W. E. Jackson and others of the friends present. Music was furnished by Vincent Sweeney, at the piano.

Mr. McNamara's speech, in response to the presentation, showed the deep feeling of appreciation for the handsome gift.

The party then adjourned to the banquet hall, where an appetizing chowder with all the relishes was served under the direction and supervision of Fritz Hornberger, who is also a warm friend of Mr. McNamara. The balance of the evening was pleasantly spent in games, song and reminiscences.

Boy Shoots Big Henhawk.

Ellery Weeks, a seventeen year old boy residing at 238 Valley street, on Saturday morning established a record as a crack shot for himself that is said to be equalled only by Mitch Laramie, president of the Muskrat club--and that is saying about all there is to be said--when it comes to line shooting.

Young Weeks took a tramp through the woods and fields in the vicinity of Liberty Hill and espied a henhawk circling about, fired and brought it down on the wing, shooting the bird through the head with a ball from a .22-caliber rifle. It is understood that the young fellow is a member of the Muskrat club, at its next session.

Borough Officials in Session.

The regular monthly meeting of the warden and burgesses was held Friday evening in the council room in Borough hall building. The monthly bills were audited and ordered paid. It was voted to order two more carloads of trap rock which will be used in finishing up the streets that were begun some time ago. The borough balliff was ordered to instruct Frank G. Sylvia to run an overflow pipe from a water motor which he wants to use into the water drain that leads from the corner of Water and Church streets. Several years ago a number of water pipes used to empty into this drain until it became necessary for the borough authorities to forbid anyone using the drain for that purpose.
